Council discusses ways and means of handling work load

Under new business at the February 21st meeting of council, Cr. Bakker pointed out that agendas for committees of the whole meetings were getting longer, while regular meeting agendas were getting shorter. And in fact items from committee agendas had to be advanced to further special meetings, due to lack of time to complete them in one evening. As examples he named extra meetings recently set up to deal with planning and development, budget discussions, which he said could wait three evenings and the meeting to consider the General Plan - MD Sturgeon, copy of which extensive report had been received.

He suggested that matters of great importance be left to committee of the whole and items of lesser importance could be better handled through two committees, public works and finance, and moved a recommendation to council that public works and finance commit-

tees be reactivated under these terms of reference, with delegations being left for handling by committee of the whole.

Speaking to the recommendation Cr. Kambourff said that since appointments have been taking up most of the committee of the whole, Cr. Bakker's suggestion

would mean another meeting in the same week. Bakker replied that a committee of three could handle small items more quickly - say from 10 - 11 o'clock on committee of the whole night.

Cr. Lukay agreed in principle but noted that "we are flooded with development items, not minor

items," and went on to say that formerly when PW and finance were used, their recommendations were chewed up when they came to council. "The main reason the two committees didn't work out previously was that all the development pro-

Legion building project launched with \$3000 pledge

At a business-dinner meeting of the St. Albert Legion Building Committee Monday evening, board members launched the \$100,000 building project with pledges totalling \$3,000. Secretary of the Legion Building Committee, Reg Bremner said, "Our project is now off the ground and prospects for us to reach our objective of \$100,000 for our new Canadian Legion complex are very encouraging."

In attendance at this dinner

meeting, hosted by the St. Albert Legion Building Committee were: Jack Gowler, representing the Bank of Nova Scotia, M. H. (Moe) Gerwing of the Bank of Montreal, Leo Alain of the St. Albert Savings and Credit Union, Stan Hodgson, architect, A. Bawrack, 3rd vice-president Legion Provincial Command and Mayor R. Gibson of St. Albert.

Following dinner, Building Committee Secretary Bremner unveiled to the members the full-scale

plans of the Legion project. The building will cover 9,000 square feet of floor space. This will house banquet facilities, lounge, games room, kitchen, offices and other amenities which will make the new Legion complex a tremendous asset to this community.

Mr. Bremner issued an appeal, "for all Legionnaires and interested residents of the community to come forward and back our project." Interested persons may contact Mr. Bremner at 599-8456.

Book Fair will aid Simpson students to reach big goal

The students, parents and teachers at Sir George Simpson School have been hard at work with every fund-raising idea they can come up with, in order to give 21 students from grades

7, 8 and 9 the chance to go to Laval University this summer for an outstanding course in French. All residents of St. Albert who would like to help them along, can do so by taking in the Book

Fair being held in conjunction with Education Week (March 6 - 10). In the meantime if there are hard covers or paperbacks which anyone has no further use for, now is

the time to clear those shelves. Your donations will be picked up at your home and all you need do is telephone Anne Hapchyn at 599-3606, or Pat Romanov at 599-7312. Both children's and adult books would be welcomed.

Some 1,200 new books will be on sale, and the second-hand books will be going for as little as 25¢ a copy.

Through the idea and effort of teacher Aiken Armenian, the Simpson students have been accepted into the crash course in French language held each summer at Laval University in Montreal. It will be the first time students outside the province of Quebec have been included in the French language enrichment program. Mr. Armenian, who is familiar with the program, contacted the university last year. He felt this was an excellent way for the students to learn, in one summer course, the equivalent of what might take them from one to three years in the school system, depending on their individual performances.

Once accepted, the next hurdle was funds, and that's when the school staff, stu-

Father Lacombe Museum to stress S. A. founding

The founding of St. Albert will be stressed in the Father Lacombe museum when it re-opens this spring.

Extraneous items have been removed from the front interior walls of the museum and items pertaining to the general theme will be displayed more prominently in cabinets.

The museum itself is a major showpiece of St. Albert history, the 1961 church built under direction of Father Lacombe.

Each cabinet will depict a separate chapter in the founding of St. Albert. Chap-

ter subjects include the Indians of Alberta, the early settlers and Metis, Father Lacombe, Bishop Grandin, the Grey Nuns and the tragedies of three Oblate missions.

Indirect lighting, bright and somber colors and simulated backgrounds are being used to heighten the significance of achievements and commonplace objects of the past.

In addition to the cabinet displays, a section of Father Lacombe's study will be

Continued on page 3.

Public School staff accepts 6.4% pay hike

Teachers of the St. Albert Public School District No. 3 have agreed to a proposed 6.4 per cent increase in pay.

The school board Feb. 24 accepted the new salary scale which will give its staff a 6.4 per cent increase effective January, 1972.

For example, a teacher with four years university

training, with five years experience will be paid \$10,400 an increase of \$163.00.

In addition to the increase, teachers will receive \$1 more per student with a class enrolment of 31 students or more for a period of three months. This increase will be \$3 per student from the present \$2.00.

Journalist Added To Gazette Staff

A former weekly newspaper editor-publisher and more recently a daily newspaper journalist, O. E. (Ovi.) Baril of Edmonton has been added to the staff of the St. Albert Gazette.

Mr. Baril brings 19 years of journalistic experience to The Gazette. In 1947, he founded The Bonnyville Tribune, Bonnyville, Alberta, a weekly newspaper which he operated until 1962 when he joined The Edmonton Journal as a copy-editor.

The new Gazette staff writer will devote most of his time covering the local council, county and school board meetings, as well as the provincial political beat.

Gazette editor-publisher Ernie Jamison, MLA, added Mr. Baril to his staff, "to help my wife

and I adequately give the local scene complete coverage."

Mr. Baril is married and has three sons, Maurice 24, who is an automotive machinist, Tom 20, who is articling with the accounting firm of Woodman & Scott and Clarke 13, who attends Oliver Junior High in Edmonton.

Sally Oakes, left, Anne Hapchyn, Vera Hadziyeu and Pat Romanov met at Anne's home last week to unpack and sort a shipment of new books for the Book Fair at Sir George Simpson school during Education Week, March 6 - 10. This shipment is an excellent assortment of some of the best in children's books from United Kingdom publishers, including Ladybird, Puffins Panther books, C. H. Lewis and others. The books will be on sale at the school Wednesday and Thursday afternoon March 8 and 9 from 3:30 to 4:30 p.m. and on Wednesday evening from seven o'clock until nine. Sets for gift giving will also be available.

Town Council

Continued from page 1.

posals came before public works, and the finance committee was thus not involved, leading to friction."

"You're right" said Mayor Gibbon, and the result was that both public works committee and council worked on development proposals for about equal time — which is why I recommended the marriage of PW and Finance into committee of the whole." This arrangement can be made to work better and we can discuss it at an early summit meeting, he added. "But I can't believe a return to two committees, plus an extra meeting night, will help at this time."

"I will oppose the motion" said Kambouroff. If you want to get something on an agenda for committee who decides which committee does which? "Staff does beforehand," said Bakker, but some items could go from committee to council under the present arrangement.

Mayor Gibbon felt it would be useful to go into the reasons for delegations coming in to committee, and that perhaps brief written submissions could be requested in advance. "For example we had one appointment tonight which could have been handled by our staff."

"Drastic changes are needed," said Cr. Hudson. Councillor Luky observed that "we do have smaller committees at present, dealing with traffic and transport, EMO. But I admit we are spending more time in committee than in council. However the importance of committee is to get all of the information we need before we judge a proposal."

"There are some flaws in the present arrangements but I am not supporting the motion" commented Cr. Thronson. Vote went 4-2 against the motion (Cr. de Bruijn was not yet back in town), with Bakker and Hudson the supporters.

Some further discussion took place on how to handle the existing backlog of work.

Gibbon, Thronson and Hudson felt Saturday meetings would be effective, Bakker suggested committees meeting scheduled for the second and fourth Wednesday evenings during March and April. He was reminded of hospital board meetings Wednesdays. "When the budget is ready let the mayor or call a meeting" said Kambouroff. Meetings pending with school boards and court of revision time add to the work volume council faces.

Simpson

Continued from page 1.

Parents and parents go into the act. Parents are providing \$200 per student, the school board is providing a grant of \$1,150 on the basis of \$50 per person for 21 students and two adult supervisors, and the federal government has granted \$6,000 for the project. Total cost of the program is \$4,375 which leaves \$1,000 for the students to earn.

They have hired themselves out for all sorts of odd jobs, and if anyone wants a sidewalk or driveway cleared of snow, they're available. (399-3606). Volunteer parents are taking calls and assisting in many ways with all the fund-raising activities.

Which brings us back to the Book Fair. Anyone who can donate books, or attend the Fair and make some purchases will bring the kids a little closer to taking advantage of this tremendous opportunity. Anyway Book Fairs are great fun and this one is certain to turn up all sorts of interesting reading material for adults and children.

Through the Red Cross Homemaker Service trained homemakers are available in many divisions to maintain the family's routine, and to make sure children are cared for when a parent is ill or convalescing. Last year more than 10,500 families received homemaker help.

Lions Park gets help through Federal grant

the years ahead.

A project grant of \$6,942 was awarded the St. Albert Lions Club by the Federal Governments Local Initiatives program on an overall \$8,080 building program at Lions Park this year. Work on the site will commence almost immediately and will employ a number of men from manpower.

The park has been operated and maintained by the Lions since 1956, and is a very popular spot for local and visiting families all summer long. It contains 15 picnic sites, a camp kitchen, bandstand, ball diamond, playground equipment, eight horseshoe pits, a park office and storage shed. A large beautifully treed area, at present undeveloped, will now be prepared for 10 new picnic sites.

Lion George Simpson, park chairman, reports that a serviced building to house six toilets, sinks, and facilities for a concession booth with stove, will hopefully be a major part of the project. The building will allow for changing rooms for ball players and so on as the facility can be expanded in

most effective use of the federal grant and all the residents of St. Albert will reap the benefit.

Lions plan to install 12 large painted culverts in the shape of a playground train. The ball diamond is to be landscaped, have the backstop repaired and painted, and 60 feet of four tiered bleachers are planned. The miniature golf course is also due for a landscape and repair job.

The 500 trees planted over the last two years in the park will get some tender loving care and plans are made for planting a further 500 trees on the river bank within the park area.

In the hope of getting some protection from the vandalism which has plagued the Lions continually, part of the grant will go for perhaps 10 concrete picnic tables and six concrete benches. And in fact the general overall repair work, painting program and clean-ups in part made necessary by the senseless destruction and defacing of park facilities which is most difficult to control. Work on the project will include removing six stoves, damaged with a sledge hammer, and replacing them with new stoves in new concrete.

In all, George Simpson and his committee have listed 26 work projects carefully planned to make the

The picture is a little dull and the weather was both dull and cold, but for the five Lions it was a great day. They met at Lions Park for a brief ceremony accepting a cheque for \$6,942 awarded when their submission for improving the park site was accepted under the Local Initiatives program of the federal government. At the top of the ladder is Jens Jorgensen who will oversee the project, Nils Hovedskov, Dick Ryley, President Ken Moore at left, and Park Chairman George Simpson at left.

Museum

Continued from page 1.

shown. The sanctuary is being restored to its original appearance. The flooring is being re-enforced.

More historical items have also been added to the crypt, a section within the present St. Albert Catholic church in which the tombs of Bishop Grandin, Father Lacombe and Father Leduc may be seen.

Museum curator Brother Andy Boyer is co-ordinating and assisting the renovating work, done by volunteers.

Letters to the Editor

Sportsman Criticizes 'Columb'

The Editor:

With reference to your column in the Gazette dated February 23, 1972, under the heading "Hockey Program Criticized."

It was with regret that we should see a volunteer worker, and indeed referees in general put on trial in the local press.

Firstly I would like to request to all those who participate in sport and those reading this column, pick up a dictionary and read carefully the interpretation of the word SPORT.

Rightly or wrongly this is not the way to handle disputes in all sport. The boys, girls, men and women who play these sports will never have any respect for the officials, and repeating again the old saying what would happen to the game if there were no officials.

Fellow readers, sports fans, players and officials there is only one way to settle problems such as these, and still keep our respect, is to form the proper committees for rules, regulations and violations. We could then have orderly meetings and discussions to handle these problems. These meetings will not be held on the ice, on the field of play or in the newspaper, and absolutely not in front of the players.

How unsportsmanlike it was to read a referee was threatened with verbal and physical attack, and to have the finger pointed at individual players in our community.

I'm certain if the existing volunteers could increase their numbers, more time could be spent in studying any complaints against what is felt to be an injustice.

PLEASE in the name of what is left in SPORT, let us show the people who believe there is no such word, by

backing up the volunteers and officials, and bring all the problems and complaints to a central meeting point.

How can Canada ever be a united people when we are cutting one another down at our own Town level.

Tony Holden,
Secretary-Treasurer
Alberta Minor Soccer Assn.
Assistant Coach of a Shaver
Hockey Team
Resident of 19 Gladstone
Cres. St. Albert.

EDITOR'S NOTE: The 'Columb' referred to by Mr. Holden was a Letter to the Editor and not a column, per se. Messrs. G. Brown and W. Stang were simply availing themselves of The Gazette to air their views. Letters to the Editor are gladly published just like we're happy to publish your letter. Mr. Holden, Letters to the Editor do not necessarily reflect the views of The Editor or anyone else but the author of the letter.

Calkins Defended

The Editor:

It was with some apprehension that I read the criticism levelled against Mr. Fred Calkins in the Gazette dated Feb. 23.

My first reaction is that no person who voluntarily gives up a great deal of his time, with the consequent disruption to his family life, deserves to be publicly criticised. If the person is a paid referee then he expects, although he doesn't always deserve, comments to be made against him by the public at large and coaches, but an amateur NEVER, so long as he is doing his job to the best of his ability. And no one who knows Mr. Cal-

kins can doubt that everything he does is done wholeheartedly and sincerely.

The main point of the article seems to hinge on the fact that the rules are not enforced consistently 100 per cent of the time. The answer to that is that the referee is there to enforce and interpret the rules to the best of his ability. There are no two referees in the world who will consistently give the same decision as each other on every occasion. And there is no single referee who does not vary his decision from time to time considering the various circumstances.

One has only to experience professional sport be it football, soccer, hockey, tennis, baseball, to know that the most consistent target for abuse is the referee, a paid professional referee too. He receives abuse from the crowd, coaches, players, on TV, radio and in the press, more often than not from the losing side. If these professionals are considered imperfect can we expect perfection at the amateur level which we are mainly concerned with here?

There seems to be a suggestion too, that the Kinsmen use a different rule book. I think not, May I also suggest that the statement about the kids being taught "what kind of penalty call a particular referee will call"

is not valid. As I understand it a coaches job is to teach his kids to play hockey to win by fair methods, to avoid penalties. I realize hockey is a tough game, and hope it always will be, but maybe I am a little old fashioned and breaking the rules, cheating we used to call it, is now part of the game, so long as one is not caught. I realize that the coaches do a tremendous job and give up a great deal of their spare time to the of their spare time to the kids. This is appreciated by all concerned but it is essential that coaches are sympathetic to the referees and co-operate with them. Otherwise there will always be ill feeling, but the ones who suffer from this grown ups conflict are the kids themselves.

In closing I would like to say that St. Albert is the nicest community my family has ever lived in. I am very actively involved in minor sport too and have nothing but praise and admiration for the coaches, parents and kids who co-operate and compete.

We all have differences from time to time but usually settle them amicably over a bottle of beer or a cup of coffee. Let us hope that we have not come to the point where our sport is too important for this and disputes have to be aired in public.

J. A. Grave

Referee Championed By Citizen

The Editor:

It is very disheartening to read a letter such as was published in your last issue criticizing the Kinsmen Minor Hockey program in St. Albert. While I am not presently a member of the Kinsmen Club, I have been in the past and am presently involved in the Minor Hockey league as a coach in the Mite level.

I feel it a shame that this criticism should be levelled at someone when if he hadn't volunteered to referee possibly the game would have had to be cancelled. I am sure that everyone involved in the KMHA

realizes the toughest part of the hockey committees job is obtaining referees. With coaches writing articles such as the one I refer to it is a wonder we get any referees at all. If the situation is to be improved we need everyone's co-operation, especially the coaches.

With reference to the various interpretations of rules regarding penalties I would like to point out that all penalties for minor infractions during a straight time game are supposed to be of three minutes straight time from the time the puck is faced off following the call of the penalty.

I have to disagree with the previous writers statement that two coaches cannot control 10 boys when the boys tell them a story of bad officiating. I say if the coaches cannot control the team they should not be coaching. Officials do not win or lose games, the teams involved do. I feel it is a coach's duty to insure his players listen and respect

the referees call whether it be a justified call or not. It is because so many coaches, myself included, get riled up during a game and yell at the officials that so many of our youngsters nowadays are losing respect for the officials. I ask all coaches and parents to put yourself in their shoes and your opinion may soon change. I personally think that far too many parents and coaches take winning far too serious and are forgetting the object of the KMHA of getting all the boys involved in hockey with equal ice time for the poorer players rather than the better players getting all the ice time.

Let us not forget we are doing this for the boys benefit not for the coaches.

We have an opportunity to have a great minor hockey program in St. Albert and with everyone's co-operation can have the best in Alberta. Let's all get together for our boys' sake.

Tom White,

'Thank You'

The Editor:

Thanks to Legal midgets. On behalf of the Smoky River Midgets.

I would like to personally thank all those who contributed to our wonderful and memorable stay in Legal last February 19 and 20. We look forward to next year when we hope to have the opportunity to meet you again with not only midget hockey but hopefully peewees and bantams also.

Again thank you for your generosity and kind heart.

Paul R. Brisson
Recreation Superintendent
Smoky River Area.

Outnumber

'Hosts'

The Editor:

Five girls from the Morinville Lions Figure Skating Club were invited to Bon Accord as guest skaters for the Bon Accord Carnival. Vivian Blackburn, Cynthia Robinson, Marle Carlson, Donna Faye Borle and Laura West spent many hours practicing their routines for an audience of approximately 20 people, most being parents and friends from Morinville. It is too bad that there was no one from Bon Accord to introduce the girls or to thank them for their fine performance.

Executive,
Morinville Lions Figure Skating Club.

Enjoyed article

The Editor:

We read with interest the article on Mr. Sean Kelly, who is presently attending the World Assembly of Shepherds in Merino.

It was completely correct - as far as we are able to ascertain - with one exception. You say "It has convened yearly, without fail," (since the assembly's inception in 1127). This is incorrect. I refer to the diary of Caspian Kyzyi (one of my ancestors - on my mother's side) - who was a manufacturer of Shepherd's pipes in Persia, during the 12th Century.

(I translate) --
"Date November - 1128;
... so after the successful first WAOS (World Assembly of Shepherds) last year - it seems it may also be the last - due to the ailment - now referred to as the "Moutonness Epidemic" or (Bo-Beep Syndrome). It did not meet again until 1129 - but since that time has "convened yearly without fail."

(Mrs.) K. Wright
Grandora Cres.

NOTICE OF PUBLIC MEETING

Workers for Bennett and White Alberts Ltd. moved onto the site of the new Paul Kane High School located in the proposed Forest Lawn subdivision Tuesday morning. St. Albert Separate School Trustee, Dr. W. Cuts is seen above looking over the construction site. Jim Radke will be the construction superintendent of this project. Clearing the site Tuesday morning were Peter Kirstiuk and Nestor Hulobovich of Badger Excavating Ltd., sub-contractors in charge of land clearing and excavating. The new school will be called Paul Kane High School while the present Paul Kane School will be renamed as a junior high school.

School Delegation Stays Rescindment of Motion

Sixty citizens met with the Protestant School Board No. 6 at Sir Alexander Mackenzie school February 23 in protest to the Board's motion to rescind the French Language and Ski projects.

A delegation headed by Mr. Romanov of Sir George Simpson Junior High School headed the delegation in favor of the French Language Project.

"I urge the board not to rescind the grant of \$1,500 for those who want to take advantage of an educational opportunity which is unavailable in any other way," said Mr. Romanov.

He told the Board that the students who chose to go to Laval University from July 4 to August 4 have given up their summer vacations to undertake a unique learning experience they wouldn't have otherwise.

The students have earned their own share of the money which will be provided also by the federal government, provincial government, and the School Board.

Before handing the Board letters from supporters of the project, Mr. Romanov said, "there has been a great

deal of preparation for the project and it will help to unite Canada in a bi-lingualism, bi-culturalism experience hopefully to better relationships between the two peoples."

The board then asked for

School meet agenda loaded

The March 8 Protestant Separate School Board meeting will discuss the future of the Academic Ski Project, The 1971 Financial Statement and The Mission Park School Rental Lease.

Due to a lengthy meeting held Feb. 23, the school board will hold a major discussion on the 1971 financial statement, the Mission Park School rental lease and the future of the much-talked-about Academic Ski Project.

At the meeting also the Board will bring forth a proposed policy and guidelines for curriculum expenditures and the expenditures for future programs under the enrichment program.

The meeting will start at the School Board Administration offices, 60 Sir Winston Churchill Avenue at 7:30 p.m.

The following meeting on

anyone to speak against the project, no dissenting voices were heard.

The February 9 motion by Mr. J. Wiltshire to rescind the \$1,500 allocated by the board for the project was defeated by a vote of 4 to 1.

AROUND TOWN

March 22 will be the School Board's annual meeting to be held at Sir George Simpson Junior High School at 8 p.m.

AROUND TOWN

The Grandin Brownies were very happy with the good turn out for their four-nation bazaar and tea in the community hall, which added to the funds for both their training program and the local association. Some of the girls manned stalls depicting their studies of Mexico, Ireland, Japan and Denmark. Articles were on sale which the girls had made illustrating crafts of these countries, and the brownies commented on these and on their study program. Others served tea to the visiting parents and friends, rounding out an enjoyable and informative project.

Trustees plan mission to Japan

Alberta educationalists will be provided a unique opportunity to study cultural and educational processes in another part of the world this spring as a result of an Alberta School Trustees Association decision to organize a tour of Japan.

The 15-day tour is scheduled for May 2 - 17 and will be open to 150 people at the individual's expense. The program will include visits to educational and cultural institutions in many parts of Japan as well as informal contacts with Japanese educators and students.

The four specific features of Japanese education to be studied include:

*special education, in-

cluding the recognition and treatment of children who are emotionally and physically handicapped, and the programs and facilities developed to educate these children.

*technological aids and their use in classrooms,

*vocational and technical education and co-operative programs being developed by the technical community and the education system.

*early childhood education for children under five years of age

Comets Gain Two Ties

Jim Read led Comets last week with two goals against Stony Plain but the teams had to settle for a five-all tie. St. Albert led 2-1 after 20 minutes of play and were behind 4-3 at the end of two periods. Trailing 5-4 with only a minute to go, Rick Pugliese stole the puck in the Eagles end to rap home the final goal of the night.

On Friday in St. Albert, the Comets again had to

settle for a tie against Ray's Esso in a high scoring game that ended in a 7-7 tie. Comets opened the scoring early in the first period on a beautiful goal by Joe Cassidy. This didn't last too long and after 20 minutes of play, Comets fell behind 5-3. Goal scorers for St. Albert in the second period were Laplante and Hesse. The third period was a wide open affair and goals aplenty.

Scoring for St. Albert were B. Stevens with two and singletons by Cassidy and Pugliese. Rich was again the hero for St. Albert as in the game against Stony Plain with a goal in the dying minute of play.

Comets travel to Cold Lake on Sunday, March 5 to play the first game in the provincial playoffs. Next home game in the playoffs will be Saturday, March 11 at St. Albert arena.

North Central Zones

Held in St. Albert

Paul Kane boys basketball team, from left to right, front row: Manager Angus Telfer, Dino McLaughlin, Mike Birdsall, Ken Webb, Ed Zinchuk, Paul Smithson. Back row - Coach Heyworth, Wayne Bissonnette, Doug Baldwin, Jim Hole, Bill Hole, Wayne Dent, Terry MacPherson, Lyall Thompson, Coach Smart.

This Saturday the North Central Zone finals will take place at Vital Grandin Gym with teams from St. Albert, Paul Kane, Ardrossan, Stony Plain, Hinton, Drayton Valley, Westlock and Archbishop Jordan (Sherwood Park) competing for a chance to advance to provincial finals.

The tournament will be highlighted by a cheerleading competition to take place at 3:45 p.m.

Calahoo Scorpions end season in second spot

On Feb. 25 the Calahoo Scorpions hockey team under Blackie Quintal's management finished off the season by playing Bon Accord.

In the first period Calahoo's play was a bit sloppy and only scored one to their two goals but in the second period a fired-up team playing an offensive game played four goals to Bon Accord's two.

Again proving their prowess in the third, by getting three scores to opposing team's one, gained the 8 to 5 win.

Calahoo's front line of Jay McGeough, Jake and Claude Constant went hog-wild. High scoring Jake got himself five goals and one assist with Claude getting two goals and two assists.

With this game, unofficially, we've won two trophies with goals getting least goals scored against them.

Jake Constant won scoring trophy by scoring the most goals. This game put Calahoo in a first place tie with Legal. Due to Legal winning two out of three in regular play, Legal will get

first place, Calahoo second, Villeneuve third, and Namoo fourth.

Due to this Calahoo plays Namoo on Sunday at 1 p.m. in Morinville and Villeneuve plays Legal at Legal, in a best three out of five game series with the winners meeting the following week for the championship.

Barons Bouncing Along

On Monday night St. Albert Sportshop Barons handed Fort Saskatchewan an 8-4 beating before 100 fans at St. Albert arena. Barons collected goals from Doug Ferguson, Gerald Longpre, Ray Gauthier, Roger Pouliot and two each from Jan Kristenson and Dave Lockhart.

Lockhart was selected the first star of the game for his good two-way effort.

Barons next home game is on Friday, March 3 against Wainwright in the first game of the second round provincial play-downs. See you at the game!

Student Ski Proposal

"The Academic Ski Program will provide a unique learning and recreational experience for local ski students," Barry Flindler, assistant-principal of Sir Alexander Mackenzie School told the Protestant Separate School Board last Wednesday.

At the meeting held at the school, Mr. Flindler informed the Board that the Academic Ski Program would provide 35 students with a trip to Kimberley, B.C., and it would give them an extremely rich experience they couldn't obtain otherwise.

The program will provide experience in social relationships away from home, knowledge of a natural environment, and basic knowledge needed for skiing.

"The \$500 asked for by the project committee should not be turned down due to the importance of the project," said Mr. Flindler.

The motion to rescind the School Board portion of the money for the project was made Feb. 9 by Mr. J. Wiltshire, chairman of the Board.

When the prim and prudish old maid, Miss Skillon, gets into the cooking sherry, it livens the old gal up considerably, which utterly confounds parlour maid Ida, and requires some unusual subduing techniques on the part of Clive Wilson. Poor Miss Skillon hit the sherry in utter frustration, after calling at the vicarage and discovering that someone else had been put in charge of decorating for the church harvest festival. Shirley Martin, Rita Egan and Michael Ross rehearse the scene from "See How They Run" which the St. Albert On Sturgeon Players will be presenting March 22nd through 25th at Paul Kane auditorium. Tickets are available at Sweetheart Jewellery and the St. Albert Sportsbox.

St. Albert High News

The Chuggers and the Warriors have completed their league play. The girls team had an easy season with six wins and no losses. The boys team had a score for the year of one win and five losses.

Last Saturday was the Conference Playoffs at Vital Grandin. The teams involved were Stony Plain, Onoway, Whitecourt and St. Albert. The girls beat Stony Plain in their first game to meet Whitecourt in the finals and defeated them with a score of 69 - 12. The boys put up a good fight against Stony Plain during their game. Unfortunately they were missing a star player, Jay Donalds, who hurt his foot at a practice Friday. The final score was 57 - 45. They showed the spectators that next year they will be the team to watch.

This Saturday is the Zone Playoffs, which involve St. Albert, Archbishop Jordan, Westlock and Hinton girls with Paul Kane, Ardrossan, Stony Plain and Drayton Valley boys. The winners of this tournament will travel to the provincials.

SCHOOL BOYS CURLING:
The inter-school boys team consisting of Peter Byl, Bob Letourneau, Darrell Kremer and John Haupt-

man have completed their season and won the first in the D event.

St. Albert High boys remained undefeated by winning the central conference. St. Albert edged Stony Plain 61 - 11 and defeated Whitecourt 69 - 12. High scorer in both games was Shirley Bokenfohr with 25 in first

game and 29 in second game. Barb Faryna helped out with 20 points in the last game.

The St. Albert High boys without their star Jay Donalds, put up a good fight and lost to Stony Plain 57 - 49. It was the best effort for the boys and with the same team next year the boys should do well.

Volunteers sought for Mothers Day Out program

The "Mother's Day Out" program operating in the united Church basement, Thursday 9:15 a.m. to 3:15 p.m., was started last May, and it is now being used to capacity.

The demand in the last few months has far exceeded the licenced allowance of 25 children, and the days are being booked as much as two or three weeks in advance. Mrs. Dianne Proctor, who takes the bookings at 599-5159, tries to keep a few openings for mothers who have not used the service before, or who have a real need to call at the last minute.

All pre-school children are accepted at a very small charge per child. This includes infants as young as

one month of age, so consequently six or seven ladies are required for just one day of operation.

The question of operating for more than one day a week has been raised by disappointed mothers, but the faithful volunteers are already being overworked. The St. Albert Help Society who have organized this non-profit and non-denominational service, are ap-

pealing for volunteers. The time you could give, if even only one day a month, would be a great help to them. You would not only be helping your community, but they feel you would find the experience enjoyable and rewarding.

To volunteer, or for more information, please contact Mrs. Betty Lovett at 599-5078.

Kin & Guests Enjoy evening

A steak supper got things underway for the special meeting held annually by the St. Albert Kinsmen Club, when the Kinettes and wives are invited. The late February date ties in with both the founding of Kinsmen in Canada and the founding of the St. Albert club.

M.L.A. Ernie Jam'son and Shirley Jamison were guests and following the presentation of gifts to the ladies, and toasts all around, Mr. Jam'son spoke to the meeting on the many facets of his new role, including the task force on industry on which he served. He announced his appointment last week to chairman of the committee to review the Censorship Act. He has also been named a member on the Public Affairs Committee. His talk included some of his experiences in assisting constituents, including some humorous in-

cidents.

The second annual debate topic was Retention or Expansion as club policy with a team of three Kinettes defending the retention position, versus three Kinsmen on Expansion. The judges chose the Kinettes the winners.

A fun auction followed and the evening concluded with Sgt. at Arms, Bruce Daly doing a fine "Fine" collection for the many mis-manners he had noted on

Around Town

Bea Watkins came out of curling retirement to skip a local foursome in the Wetaskiwin bonspiel. With Lynn Johnson, Bobby Lees and Vina McCormack backing her up the rink brought home a prize and report marvellous hospitality from the Wetaskiwin lady curlers.

Paul Kane

By Holly Hill

Paul Kane's second annual Spring Fever Frolic happened this week. A pancake eating contest started the activities at noon on Monday. Tuesday at noon and Wednesday afternoon students participated in such events as log sawing, nail pounding and snowshoe racing. Tuesday evening the Students Union sponsored a dance at the community hall. Wednesday afternoon the activities were wrapped up with a hockey game at the arena. PK's Pocket Rockets (the girls team) took on the teachers to fight for the school championship!

In the conference finals the girls team beat Athabasca, then lost to Westlock in the finals. The boys team did really well, defeating Westlock and in the finals won over Athabasca 52 - 21. The boys team will be advancing to Zone finals. Vital Grandin this weekend.

The cheerleaders will also be taking part in competition at VG and hope to add another trophy to their growing collection.

Six wrestlers from PK took part in competition at Ardrossan last weekend. Three of them, Guy Hill, Peter Colding and Neil Rae, won their events and will be taking part in the provincial finals this weekend.

emergency!

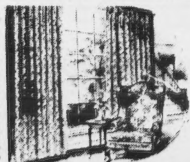

Accidental poisoning can happen in any home.

A poison treatment centre has been established in every general hospital in Alberta. Be familiar with the phone number of your doctor and local hospital. They can help you determine whether or not a substance is poisonous, and what should be done.

In case of poisoning, remember this: you must be able to identify the substance in order to treat for it. And always seek immediate medical attention.

Take a moment to think about poisons in your home. Do everything you can to prevent accidental poisoning.

Rick Lesburg of Imperial Lumber, St. Albert, is pictured with the first, second, and third prize winners drawn at the Rumpus Room Seminar which was held in the Community Hall on Tuesday night. From left to right are: Third prize, Frances Eke - a 4' x 8' Formica sheet; Second prize, Jim Gilbert - a carpet sweeper; and First prize, Marie Guy - a Black & Decker Skill Saw. There were also fourth and fifth place winners, as well as 18 consolation prize winners. The seminar was attended by approximately 140 people.

Kinsmen Skate-a-Thon Slated For March 19

The Kinsmen's Annual Skate-a-Thon will be held this year on Sunday, March 19 in the St. Albert and District Arena.

Kinsman Russ Pollock has already extended an invitation to Mayor Ray Gibbon and all town councillors to participate in the fund-raising event. A special invitation has been sent to Hon. J. Grant McEwan, Lieutenant - Governor of Alberta, to officially open the Skate-a-Thon.

If the enthusiasm shown by the youngsters in town who are seeking sponsors is any indicator, this year's Skate-a-Thon will surpass

the fantastic success recorded in 1971 when 560 skaters participated.

Monies raised through the Skate-a-Thon has again been earmarked by the St. Albert Kinsmen for community projects.

Sponsor cards are now available at outlets displaying the Kinsmen Skate-a-Thon posters, as well as from all schools in St. Albert or from any Kinsman Club member.

Pupils raise \$125 for tiny adoptee

The Robert Rundle Elementary School reports that its Valentine Penny Carnival held recently was very successful.

The children raised \$125 through their annual carnival and had, "a whole of a time doing it," according to Frank F. Carnahan, principal of the school. The youngsters set up and operated their own concessions, selling candy and cookies donated by interested parents. Many thanks are extended to the parents for their donations which made the whole affair possible.

The money will go toward another year's sponsorship

of Chu Kin On, the little seven-year-old adoptee in Hong Kong.

Engagement

Mr. and Mrs. W. A. Penrose are pleased to announce the engagement of their daughter Melanie Cay to Malcolm Carl Cook, son of Mr. and Mrs. Malcolm C. Cook of Calgary, Alberta. The wedding ceremony is to take place April 15, 1972, at the St. Albert United Church.

Separate Board Approves French Language Visit

A unique experience awaits 21 students of Sir George Simpson Junior High School who are involved with the French Language Project.

The Protestant Separate School Board Feb. 23 at Sir Alexander Mackenzie School approved the expenditure of

\$1,500 for the project.

The project is designed to encourage French language studies in the interest of bi-lingualism and bi-culturalism. The total cost for the program is \$14,375.

The Quebec trip to La-Valle University July 4 to August 4 will provide three hours a day in language instruction. The students will have access to the university recreational facilities, as well as exchanging thoughts with children of their own age in Quebec.

The weekends will provide short excursions to the immediate vicinity and

major tours throughout Quebec itself.

The project will be studied by the School Board in hopes for other students to take advantage of similar programs in the future.

John McCann dies in road truck crash

John McCann, 46 of #63 Garden Cres., St. Albert, died instantly Tuesday morning, Feb. 22 when the truck he was riding in rolled off the Grande Cache highway. The driver of the two-ton vehicle, Karl Warkus of Saskatoon, Sask., is in an Edmonton hospital recovering from injuries.

The mishap occurred at about 6:30 a.m. Tuesday when Mr. Warkus and his passenger, John McCann were returning to St. Albert from Grande Cache. According to RCMP at Hinton, the Warkus truck hit the ditch at a point about 23 miles north of Hinton, rolled down a 30-foot embankment and pinned both men in a fatal grip. Help arrived minutes after the accident occurred and Mr. Warkus was pulled free. His passenger for this trip, John McCann was pronounced dead at the scene.

Besides his loving wife Eileen, Mr. McCann leaves three sons, John, James and Patrick, a daughter Heather-Anne, a brother and three sisters.

Interment took place in the Field of Honor, Woodlawn Cemetery, Saskatoon Friday afternoon at 2 p.m. February 25.

The land and buildings of the average United States farm are worth \$100,000.

Calahoo W.I.

Welcomes New Member

By Lila McLeod

Due to the cold weather in January the first meeting of the year was held on Feb. 14, at Mrs. J. Shenfield's home at 8:30 p.m. with 12 members and two visitors, Mrs. Edith Carter of Spruce Grove W.I. and Marlene Schermermud present.

We were so sorry Lina Bergstreiser and Edna Guenette were not well enough to attend and Daphne Kerr had gone to the city to see her mother in hospital.

We welcomed a new member to this friendly meeting, Mrs. (Jack) Emma Dalheim. She is Mrs. K. Dalheim's daughter-in-law.

Following orderly procedures the secretary read a letter from District 11's director Mrs. Vera Holt reminding us of the convention at the Corona Hotel, March 7 and 8.

Mrs. Sybil M. Connor from our Australian link wrote a very interesting letter.

In the new business Betty Albrecht informed us of the additions to the handicraft entry list and our class number is 6.

A scrapbook was purchased so that the study of our sister province Nova Scotia could be tabulated. Congratulations to our new member Emma Dalheim on writing and receiving data on the subject.

This group voted to send \$5 towards the Girls Club Travel Fund.

The 10 cents a member will go to the FWIC project #523 to assist in buying the Landrover. If each W.I. member contributes 10 cents, this will be achieved.

Betty Albrecht was presented with an AWI cup and saucer for achieving two years regular attendance.

Mary Dalheim reminded the standing committee chairman to report their activities to the constituency level.

With citizenship under study, Stephanie Shendler, produced an excellent paper on the "Status of Women"

with these subjects delved into: Equal pay for equal work; day care centres; widow's allowance; maternity leave; education so that Indians and Eskimos have the same chance as whites in receiving funds to gain a degree at university; should family life and sex education be taught in schools?; language training facilities to assist northern women in English and French; TV credit or non-credit courses at a time when most people can take advantage of them and citizenship centres should be centralized.

The roll call was urged to bring used stamps to aid leprosy. Thank you to a recent visitor to our meeting, Chris Zacharias, for filling her "Pete the Pig" bank she purchased, as did others, with nickels and quarters to be sent to aid leprosy. Anyone may donate towards leprosy treatment to the Leper Mission in Edmonton.

The used Christmas cards were also part of the roll call and no one had to pay the fine for not contributing.

The door prize, a nice set of measuring cups was bought by Edna Guenette and won by Mary Dalheim.

With the meeting adjourned, friendly visiting continued over lunch and happy birthday was sung to Anna Carly.

The February meeting will be held at Mrs. Vance Berry's home on Feb. 28 and visitors are always welcome.

Bon Accord Club hears auralory lecture on

By Lydia Uchacz

BON ACCORD - The 4H Beef Club held its regular monthly meeting on Monday, February 7 in the school. At this meeting we had 4H members from the Clothing, Beef and Horse clubs, from Gibbons, Horse Hills and Bon Accord, to hear Mr. Arnold Malone, from the Department of Youth give a lecture on public speaking.

He stated that public speaking is fun if we make it our friend. To do this we are to keep the fear element out of it. There is no real

By Rose Martel

The Morinville Lions are sponsoring a local and district drive for the Eye Bank of Canada, through pledge cards made available at the following business places: Town office, Post office, Morinville Hardware, Royal Bank and the Credit Union. This will enable many to give the gift of sight to other individuals, who have lost their sight.

The next Morinville Board of Trade supper meeting is slated for Saturday, March 6. Memberships are now due and maybe paid at the Royal Bank to Don Derby, assistant manager, who is also secretary-treasurer of the Morinville Board of Trade. Guest speaker will be Reeve Walter Van de Walle and a special invitation for all members of the Morinville town council, school boards and other organizations interested in the progress of the community are invited.

Congratulations to the junior girls basketball team from Georges P. Vanier High School who won the cup at the Westlock Invitational Basketball tournament last Saturday in Westlock. The score in the final game was 35 - 14 and Arlene Renillard of GP Vanier scored 23 points in the game, and was the star player of the tournament.

Last Sunday 12 curling teams competed in the local Lions sponsored mixedspiel for the benefit of the local Cub packs, in a total point

competition. First prize was won by the Mel Hittinger rink. The second prize went to the Eugene Charest foursome and Lion Leonard Gibeault tied with Ed Kryskow foursome who won the third prize. The consolation award was won by a local high school rink skipped by Denis Telford.

Despite 22 below temperature last Saturday morning the Morinville Cubs, many groups accompanied or driven by their mothers, completed a bottle drive during the forenoon, that netted them a sum of well earned money to continue the cub work in the community. The executive committee are grateful for the support given.

Mayor Arthur Stapleton accompanied by Mrs. Stapleton, drove to Calgary last Sunday to attend a business meeting in Calgary on Monday.

Among those on a business trip to Moline, Illinois, for the annual John Deere show, are Tony Krauskopf, Joe Bokenfohr, Freddy Kleser and Roch De Tennancourt Jr., all representing Morinville.

Joe and Pat Krauskopf have returned from Kelowna B.C., where they visited Cliff and Gail Locke and their grandchildren.

Mr. Francis Krauskopf has also returned from two week holiday in Hawaii.

George Zettie from South Field Michigan, is a guest at the home of Mr. and Mrs. Larry Kramps.

The schedule for Education Week (March 6 - 10) programs at the local schools in Morinville is published in this edition. Every parent and interested citizen is invited to participate in the local activities, and encourage students in their work.

The Town of Morinville
Crest Contest: The town

council of Morinville has requested the local schools to hold a competition between the students to design a town emblem, which could be adopted by the town council of Morinville as their crest. Prizes offered are: \$15 - best design and \$10 will be donated to the runner-up. Honorable mention will also be acknowledged. Parents are asked to encourage their children, with the help of the teachers, to design the best possible emblem for Morinville. Deadline for entries is March 27, 1972.

TOWN OF MORINVILLE Notice of Public Meeting

The Council of the Town of Morinville intends to enact a zoning bylaw pursuant to Section 119 of the Planning Act, 1963, as amended for the purpose of controlling development within the Town of Morinville. The new zoning bylaw numbered 1/72 will repeal and replace the existing zoning bylaw number 437, as amended.

The proposed bylaw may be examined during normal business hours in the office of the Secretary-Treasurer at Morinville, Alberta.

A public hearing will be held in the Council Chamber on Tuesday, March 28, 1972, commencing at 8 p.m. in order to hear any objections to the proposed bylaw. Objections shall be submitted in writing prior to the meeting. They will be received by the Secretary-Treasurer at his office until 5 p.m. on March 28, 1972. Those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

Paul E. Brochu
Secretary-Treasurer
Town of Morinville,

ST. ALBERT STURGEON

TUESDAY, MARCH 28 - Annual meeting Village of Gibbons - 7 p.m.

By Liz McLeod
Congratulations are in order for Mr. J. J. Shenfield upon receiving his diploma from the recent leadership and public speaking course he attended.

Calahoo and district certainly were shocked to hear of Jim Verbeek Sr. losing his hog barn by fire during the recent cold weather. It was also a storage spot for valuable tools and machinery. The loss was great.

It certainly is nice to have our neighbors Carl and Lina Bergtreiser home again after being hospitalized for one month.

Werner and Tona Christen were happy grandparents to have Errol, Dale, Harvey and Wayne come with their parents Jim and Elisabeth Verbeek Jr. for a visit recently.

If you want to make our elder citizens happy just pay them a visit once in a while.

Mr. George Welsh now living in Onaway was overjoyed to have Pete McLeod visiting with him. George is very lonely since his wife's passing and he's a healthy man despite his 83rd year and can still twirl and interchange two lariats as he was the champion of the art both in trick roping and twirling and performed for Queen Victoria and has a picture to prove it.

Felix and Martha Pischinger and grand-daughter Beverly Ann from Peavine came to visit sister Liz and Pete at Calahoo.

In order to get the family together, Will and Judy Baron brought sister Bertha Chapman and sister Hilma and Norman Gibbs from the city came in a new blue car.

Felix came for the milking equipment since he plans to start dairying and Pete has had to quit due to health reasons.

The twin lambs that were a new year's present at Kippy and Kristina Storv's residence have survived the cold winter and are doing fine. The ewes were formerly owned by Malcolm McKenzie.

Mrs. L. Margaret Roudau and a friend started out to Pine Sands Beach to see if their cottages had been broke into again but decided

CALAHOO NEWS

to turn back when the snow storm out visibility. They stopped to chat with McLeod's and Schmermund's.

When birthdays roll around the folks in Green Willow district enjoy one another's company. Louis Kerckhof had his January 20. His mother had hers Feb. 2 and Pete and Liz, Otto and Audrey Steinkamp and Mr. Joseph Freitag wished Theresa well.

On Feb. 4 Ferdinand Lischewski was wished the best by the McLeods.

Two-year-old Emil Leo Paquette, Adelard and Melina's youngest received two cakes, one coming from his godparents Leo and Evelyn Paquette, Don and Alice Gregoire, Lucienne Vader and Audrey Steinkamp rounded out the well-wishers on Feb. 13.

On Feb. 16 it was Audrey Steinkamp's birthday and Adelard and Melina Paquette, Marcel and Theresa Kerckhof and Pete and Liz and mother went to enjoy the evening and taste the delicious cake.

Adelard Paquette's turn came on Feb. 18 with Gordon and Emelia Schmermund bringing Lucienne Vader, and Liz, accompanied Mother Russell. They all joined in loads of laughter and visiting.

Then on Feb. 19 it was this reporter's turn to become a year older and to her pleasant surprise her children, Sharon, Doug and Lillian and Judy and Will Baron bring Bertha Chapman stayed to join in best wishes with Joe Freitag, Ferd and Elsa Lischewski; Myles and Daphne Kerr; Werner and Tona Christen, Adelard and Melina Paquette; Gordon and Emelia Schmermund bringing Lucienne Vader and Mother Russell who is presently spending a few weeks on the farm. A grand time was had by all.

With the children having that nice long weekend, Mrs.

Clara Loyer and Darrell spent those days visiting with her children in the city.

It certainly is nice to see family and friends come together and enjoy an evening that started with a delicious meal and followed by drawing numbers to get card playing partners or just enjoying the visit.

Among the happy throng were: Leo and Evelyn Paquette, Don and Alice Gregoire, Adelard and Melina Paquette and family. It was Edmond's birthday Feb. 20 so he had his friend Clifford Burns staying the weekend, Richard and Jean Armstrong and Gwen, Alice Warren, Mrs. W. Dolly Macjeau and Syd Wright, Lucienne Vader, the hostess and Alice Warren never won a game but Dolly and Alice Gregoire won each time.

Bertha Chapman and Liz McLeod dropped by to visit with Adelard and Melina and family to help celebrate Edmond's birthday.

Get-well wishes go out to Bev, Father Volk from all the community hoping Father will be well very soon. Father Volk is presently a patient in the Sturgeon General Hospital.

We do hope you are better now Colleen L'Hirondelle and home from Royal Alex Hospital. All your friends are pulling for you.

by the Morinville Lions Figure Skating Club, and the program will include, in addition to their presentations, a Shavers Hockey Game, Guest Skaters and the Drum and Bugle Band.

Legal midgets

By Denis Nault

On February 19 and 20, the midget team played host to the Smoky River Midgets (to us better known as Falher). Saturday night's game was won by Falher, and Sunday Legal fans were proud to see us win over our counterparts.

Our provincial playoffs of Zone 3, C division started on February 21. We played against Westlock which is more or less a combination of the Pembina Valley hockey players. Provincials are a total point series; this means that the team with the most points wins. It is a two game standing for the tabulation of the points. The first game was played in Westlock, and Legal lost by a score of 6 - 3. The final game was held in Legal on February 26. Legal dominated the play and won 5 - 3. This left the score as nine points to eight points for Westlock.

Legal Midgets are in top

place; we have not lost a game of league play all year. Semi finals are expected to start this week with Bon Accord as opposition.

Claude Letourneau, the Legal bantam goalkeeper will probably be minding our net due to Joalain Auger, our goalie being in the hospital with double pneumonia. This probably means his having to hang up his skates for this year.

Underlying 20 per cent of the world's land, permafrost in some places extends only a short distance beneath the surface, but on Alaska's North Slope it reaches depths of 2,000 feet.

In 1610 the astronomer Kepler predicted that Mars had two moons. Both minus-cule, they were not discovered until 1877 by Asaph Hall at the United States Naval Observatory in Washington, D.C.

Morinville plans Education week

The students and staff of Georges P. Vanier School will be observing Education Week (March 6 - 10) by holding an Open House on Tuesday evening, March 7, at 7:30 p.m.

The tentative program for the evening is as follows:

- 1) Mathematical games and how they may be used for teaching math.
- 2) Student recorder programs - music students.
- 3) Financial assistance available to students interested in post-secondary education. Speaker: representative from Department of Education.
- 4) Store Merchandising.
- 5) Yearbook Display
- 6) "A Look at Prejudice" Social Studies and Language Arts students.
- 7) Film: "Looking at Children."
- 8) Yoga exhibition
- 9) Cheerleading demonstration.
- 10) Class displays.

We extend a cordial invitation to all parents and interested members of the community to attend. Coffee will be served.

The elementary teachers are planning Open House on the afternoon of Wednesday, March 8, from 1:30 to 3:30 p.m. In both the Yellow and Notre Dame schools. Parents are invited to "come back to school" to "attend" classes with their children

Garage mechanics giving estimate to car owner. "First, the good news - your glove compartment and sun visor are in excellent condition."

EVERYBODY'S
MARKET PLACE

and their teachers in any of the English grades from 1 - 5 on that day. Class displays and activities will be programed and parents are invited to participate with the children and the teachers.

Important Notice: Education Week for the French classes - Grades 1 - 5 in the elementary schools will be observed on March 23, with a concert or achievement night at Morinville Recreation Centre beginning at 7:30 p.m. sharp.

The program will consist of choral speaking, French songs and recitations. It is expected to be a delightful program, for all interested persons in the community as well as parents of the children who are taking French in school.

Beef Club enjoys Valentine frolic

by Jocelyne Durocher

On February 11, the community of Villeneuve joined with their 4H Beef Club in a Valentine Frolic. The evening commenced at about 8:30 with music by the Satellites. At 10 o'clock, the band took a break while Mr. James Kyle from Alameda introduced the defensive driving course to the people of the community.

The highlight of the evening was the crowning of the Valentine King and Queen. All present, over the age of 10, were eligible. Miss Janice Kremer was crowned Queen and King was Mr. Brian Klak. After the crowning ceremonies, they led the Valentine walk.

A beautiful cake, decorated for the Valentine season by Mrs. Albert Lesburg was won by Kevin Boddes.

Lunch was served by the members. A good time was had by all who attended.

The Villeneuve 4H Beef Club will hold its next meeting on March 6, at the home of Mr. and Mrs. Marcel Kersch. The club will hold its public speaking finals on March 23 at the Ray Kremer home. The winners will then go on to the county finals.

By Lucienne Montpetit

The Mite B team really had a challenge as they played their mothers in hockey Sunday afternoon.

The game proved to be a delight and ended in a 7-7 tie. Mrs. Frankie Pelletier made a "hat trick" for the mothers team, while Denis Van Brabant also made a "hat trick" for his team. After playing such a strenuous game mothers and sons really worked up an appetite, so they all went to the centre and enjoyed a delicious lunch.

The Sacred Heart Convent in Legal has been sold and has been converted into a special care home for the aged and convalescents. Mrs. Mary O'Meara the owner of the O'Meara Lodge says she can accommodate 55 patients. With a staff of 10 and an orderly they provide warm and comfortable care for everyone ranging in ages from 18 years to the oldest patient who is 100 years old. The official opening of the O'Meara Lodge will be held in May.

Expressions of sympathy are extended to Mrs. Diane Remillard who is mourning the loss of her son-in-law Sylvain David Lafleur from Fort McMurray, also to Mr. and Mrs. Olivier Lafranchise who are mourning the loss of their son-in-law Jean-Louis Champagne from Morinville.

Les Femmes Chrétiennes will hold their monthly meeting on March 6 at the rec. centre at 8 p.m. The tape of Mrs. Tarley's conference given at the convention will be played. We

hope many ladies will attend. The stretch and sew sewing course will begin on March 7 at 7:30 at the rec. centre. There is still place for a few more ladies so if your interested, call Mrs. Lorraine Kremer, 598-3965 or Mrs. Adeline Van Brabant, 598-3810. You may also register on March 7.

Due to the sewing course every Tuesday the keep fit classes are back on Mondays. We hope more ladies will attend.

Gibbons News

By Gladys Morin

On Wednesday, Feb. 23 the Cubs father and son bean supper was held. It was a great success with full attendance. There was a display of star and badge work, after supper films were shown. Thanks to all the mothers for helping and supplying the food.

Anyone in the Gibbons area interested in a Defensive Driving Course to begin in April please contact K. Mabbott 799-3896. Two lessons a week at a cost of \$8. Twenty people must register to have this course available.

On Sunday, Feb. 20 the Ladies Legion Bontel was held at Lac La Biche. Mrs. Ada McLean entered a team for Gibbons. The Lac La Biche Legion hosted the bontel and served a delightful chicken dinner. There were teams entered from St. Albert, Kingsway, Strathcona, Boyle, Fort Saskatchewan, Fort McMurray, Lac La Biche and Gibbons.

Presently in hospital: Agnes Michaud, June Ruttan, Jim Shaw Sr. and Albert St. Arnold.

Calahoo Pioneer Roy Patton passes at age 79

By Liz McLeod

Another of Calahoo's pioneers have been laid to rest.

Mr. Roy Blake Paton passed away in Edson hospital at the age of 79 years on January 29 after only five days illness.

Mr. Paton was a bachelor and is survived by one sister Laura Dunbar of Vancouver, B.C.

Roy sold his farm to Adelaide Paquette and in 1960 moved to Peers, Alberta where he lived with friends. The funeral was held on February 4 at 1:30 p.m. in Edson United Church with the Reverend P. C. Worden officiating. Organist was Mrs. McLean.

Calahoo Scorpions win Morinville Tournament

By Liz McLeod

Blackie Quintal's Scorpions came out the winners of the \$175 in prize money plus two trophies in the tournament held in Morinville last weekend.

The teams involved were from Calahoo, Villeneuve, Namo, Legal, Westlock and Morinville.

In the semi finals Calahoo eked out Villeneuve 3-2 in a thriller and Morinville beat Legal. Then the final game saw Calahoo edge out Morinville 5-4 in a very tight well-played game. The five goals were scored by Doug Louch getting a hat trick, Ticker Quintal and Sneaky Berube each scoring one.

The Scorpions have two more league games to play. One with Bon Accord and one with Gibbons and the following week the playoffs start.

With the good showing our Calahoo boys are doing it is hoped the community will get behind and support their team by coming out and cheering them on in the finals.

Barrow, the northernmost community in the United States, has the largest Eskimo settlement in Alaska. Stores accept payments in such things as pelts and whale meat, National Geographic says.

Village of Legal ANNUAL MEETING

Public Notice is hereby given that a meeting of the electors of the Village of Legal will be held in the Municipal Building on Monday the 20th day of March, 1972 at 8 o'clock p.m. for the discussion of municipal affairs for the year ending December 31, 1971.

Dated at Legal this 28th day of February, 1972.

Agnes Montpetit,
Secretary-Treasurer.

LEGAL LOCALS

VILLAGE OF LEGAL Notice Re Snow Vehicles

Attention snowmobile owners and operators: A meeting concerning the operation of snow vehicles within the limits of the Village of Legal will be held on

MONDAY, MARCH 6 at 8 P.M. IN THE MUNICIPAL BUILDING. Everyone is urged to attend. Village residents are very concerned with the operations of snow vehicles. If co-operation from snow vehicle owners and operators is not received, the council will have no alternative other than to ban snow vehicles within the village limits.

Councillors and RCMP representatives will be in attendance to answer your questions or complaints, and there will be a discussion on the regulations governing the operation of snow vehicles.

Agnes Montpetit,
Secretary Treasurer.
